### **PATHWAYS TO SUCCESS**

Scholarship Junkies is a free insider's guide to the student scholarship process. We cover how to find scholarships, how to

choose which scholarships to apply for, how to compile competitive applications, and much more. The internet is chock full of great (and free!) scholarship databases, and at Scholarship Junkies, our goal is to complement the scholarship opportunities you find to help you become even more competitive an applicant. With the multitude of online scholarship databases though, it's important to beware of scholarship scams and websites that simply want to steal your personal information. As such, always remember: you should NEVER pay for a scholarship (i.e. fees for processing scholarship applications, etc.).

**HIGHLY RECOMMENDED SCHOLARSHIP RESOURCES:** Our Scholarship Junkies around the country have used dozens of online scholarship websites, and here's our collective list of the top online national scholarship resources (besides Scholarship Junkies, of course): CollegeGreenlight, TheWashBoard, Chegg, Cappex, Zinch, Scholarships360, FastWeb, GoodCall.
